

Rough guide to building your own innovation engine for a science park

Edgaras Leichteris
Knowledge Economy Forum

Lithuanian Valleys

Infrastructure is the key – everything else will come ?

People

A bunch of administrators or professional coaches ?

Money

Have them, attract them, know “where are they”

GTD ® (D.Allen)

Done = Commercialize it! Or “no brains” will do it!

Valorisation

To HIDE or NOT to hide
